School Council Details

Role of a Member of a School Council

School councils meet monthly during the school year and provide a way for Yukon residents to get involved in the education of children. The duties and powers of School Councils are described in the *Education Act*, primarily Section 113.

They include:

- Reviewing and approving school growth plans;
- Reviewing and developing school-based policies such as dispute resolution, attendance, and discipline policies;
- Participating in hiring school principals;
- Making recommendations on how school budgets are spent;
- Advising on matters such as:
 - school calendar;
 - staffing needs;
 - school renovations;
 - school programming;
 - discipline policies;
 - student transportation; and
 - proposing locally developed courses in consultation with the Department of Education.

The Department of Education funding for school councils covers honoraria for members as well as operational expenses.

Number of Elected Members

Each school council has between three (3) to seven (7) elected member positions.

Duration of Term

Members are elected to two-year terms and receive honoraria for attending regular meetings. Occasionally there may be by-elections or appointments to fill vacancies between elections; these positions also terminate at the end of the two-year term.

Returning Officer

The Chief Electoral Officer appoints returning officers to administer the School Council election. The returning officer must conduct the election in accordance with the *Education Act* and its regulations, and follow the direction provided by the Chief Electoral Officer. The returning officer accepts nomination papers from candidates and, should a vote be required, is responsible for the oversight and delivery of a fair, compliant, and impartial school council election in their attendance area.

Candidate

A candidate is an individual seeking election as a member of a school council. Candidates must be an eligible elector and must be nominated by at least three other eligible electors. Once a candidate's nomination paperwork is approved by the returning officer they will be declared a candidate.

Ineligible Candidate

A person is ineligible to be a candidate if they are employed in the school that they are seeking election to — regardless of the level of government or arms-length agency that employs them. Electors employed in the school may still seek election; however, a Statement of Ineligible Candidate must accompany their Nomination Papers. The Statement of Ineligible Candidate states that if elected, they will resign from their position in the school within 30 days of polling day, May 06, 2024.

If you are not sure if you are employed by the school:

Before submitting your Nomination Paper it is recommended to contact the Department of Education's School Council Liaison, Richard Poirier, at Richard.Poirier@yukon.ca or by calling (867) 667-8226.

Candidate Eligibility

Eligibility is the same as what's required to vote in the election; any eligible elector can also be nominated and run as a candidate in the school council election.

Published / Posted Information

The returning officer will post information in the community, including:

- Notice of Nomination Thursday, April 16
- Close of Nominations Thursday, April 30 at 12:00 PM
- List of Candidates After Close of Nominations (i.e., Friday, May 1)
- Declaration of Candidates Elected¹ Tuesday, May 12 at 12:00 PM

Once a candidate's nomination paper is approved, their name will be posted at ElectionsYukon.ca. Candidate names may also be published on other websites, in newspapers, and/or on public signs.

1 Declaration of Candidates Elected

A summary of the candidates elected, either by acclamation or as the result of a vote; the official results.

Nominations

Nomination Period

The period established to accept nomination papers. The nomination period must be at least (11) days. For 2026, this runs from April 16 to April 30.

- **Notice of Nominations**

The date that returning officers may begin reviewing and accepting nomination papers from intending candidates and also accepting applications to vote. This starts on Thursday, April 16.

- **Close of Nominations**

The nomination period ends on Thursday, April 30 with a deadline of 12:00 PM (noon).

A fully complete — and valid — nomination paper must be received by the returning officer by the submission deadline in order to run as a candidate.

A late nomination paper cannot be accepted

Nomination Paper | Form 100

To be nominated as a candidate, a complete FORM 100 package must be filed with the returning officer appointed to that school. The nomination paper is available online at [ElectionsYukon.ca](https://elections.yukon.ca).

- **The nomination paper is a bundle that contains:**

- Instructions Pg. 1 - 2
- Candidate Information Pg. 3
- Declaration of Candidate Eligibility and Consent Pg. 3
- Elector Declaration for Candidate Nomination Pg. 4
- Declaration of Witness Pg. 4
- Statement of Ineligible Candidate — *if applicable* Pg. 5
- Appointment of Candidate's Agent Pg. 6

- **During the election period, they may be picked up at:**

- Yukon Education schools;
- School council returning officers; and
- Elections Yukon's office in Whitehorse.

How to File the Nomination Paper

The package of nomination paperwork is filed by providing it to the appointed returning officer of the school for which they are seeking to run as a candidate.

The Nomination Paper must be signed by at least three (3) eligible electors and must be properly completed for the returning officer to accept it.

All necessary corrections must be made, and with the nomination paperwork resubmitted, before the Close of Nominations. The *Education Act* prohibits returning officers from accepting a Nomination Paper after the submission deadline.

- Submit your nomination paperwork to the returning officer at any time between April 16 and April 30 by 12:00 PM (I.E., the Close of Nominations).
- On the day of the Close of Nominations the appointed returning officers will be at their schools to receive Nomination Papers between 10:00 AM and 12:00 noon.
- Your Nomination Paper must be submitted to the returning officer responsible for the election of the School Council for which you wish to be a candidate.
- The date and time that the Nomination Paper is received and accepted is recorded and used in assigning the order that names appear on the published List of Candidates (I.E., the first confirmed candidate will appear as the first name on the List of Candidates).

Upon approval and acceptance of your Nomination Paper package:

- Returning officers will provide a receipt serving as your confirmation of a completed Nomination Paper having been filed on time.
- Your name will be published on Elections Yukon's website listing you as a candidate.
- You may submit a photo and short biography for publication online at [ElectionsYukon.ca](https://electionsyukon.ca).

It is recommended to file your Nomination Paper with your returning officer early. This allows for identifying any potential issues that need fixing with your Nomination Paper, and providing more time to resolve them, before the Close of Nominations occurs.

Meeting of Potential and Confirmed Candidates

If requested, the returning officer will set up a meeting for potential and confirmed candidates, before the Close of Nominations on April 30. They will contact the confirmed candidates to alert them and will also post a notice at the school confirming the date, time, and location of this meeting.

Candidate Photograph and Biography

Approved candidates may submit a photograph and a short biography to promote voter awareness and engagement. Email candidate photos and biographies to schools@electionsyukon.ca.

If submitted, photographs and biographies will be published at ElectionsYukon.ca.

Photographs

The photograph of the candidate must be from within the past 18 months and include no one other than the candidate in the image.

The photo provided must be:

- In a digital file format such as PDF, JPG, PNG **and**
- 500x500 pixels or larger **and**
- 2MB in size or smaller

Biographies

If a biography is provided it must be capped at 200 words; biographies exceeding this limit may have only their first 200 words published. If a biography is submitted in a language other than English, or if it is provided in multiple languages, then an additional word count length may be accommodated.

Biographies must also be submitted in a digital format such as:

- Sending via email
- Providing a digital file

Candidate Contact Information

It is permitted to add the candidate's contact information within their biography, if desired. These contact details may also be updated during the election period, if needed.
