

WE ARE HIRING

We are seeking returning officers for

**Marsh Lake-Mount Lorne-Golden Horn,
Mayo-Tatchun, and Vuntut Gwitchin**

Returning Officers are our senior field leaders, responsible for managing the election process in their electoral district. These are long-term appointments with occasional tasks and training between elections and full-time duties during an election period (anticipated for fall 2029).

We are looking for non-partisan people with strong leadership and communication skills, the ability to manage a team and processes, comfort with technology, and the ability to work in a busy, high-volume public environment.

Election experience is an asset but not required—we provide full, paid training on election processes.
