FOR IMMEDIATE RELEASE

March 26, 2021

VOTER INFORMATION CARDS HAVE BEEN MAILED

Elections Yukon is mailing a personalized Voter Information Card (see attached) to all registered electors in Yukon. The card tells electors where they are registered, the ways to vote (by special ballot, at the advance polls, and on polling day), when and where to vote and the contact information for their returning office.

Most electors are already correctly registered and should receive a Voter Information Card in the mail. Whitehorse residents will start receiving their Voter Information Cards today, Friday March 26th, while most other communities will receive their cards on Monday March 29th. Ross River and Faro will begin receiving their cards on Tuesday March 30th.

Electors who do not receive a card, or whose card shows the incorrect information, can register or update their address online or by contacting their returning office. Electors can also register of correct information at the polls or when applying for a special ballot at an returning office or online. Electors can also update information or register at the polls.

Electors do not need to bring their Voter Information Card to the polls in order to vote, but we encourage them to bring it with them for faster service at the polls.

Local returning office locations and contact information is also available at electionsyukon.ca.
